

Tripping

Robbie Williams

F **Am** **Dm**

First they ignore you
then laugh at you and hate you
then they fight you - then you win
When the truth dies
Very bad things happen
They re being heartless again

{Chorus}

F **Am** **Dm**
I know it s coming, there s going to be violence

F **Am** **Dm**
I ve taken as much as I m willing to take

F **Am** **Dm**
Why do you think we should suffer in silence

F **Am** **Dm**
When a heart is broken, there s nothing to break

You ve been mixing with some very heavy faces
the boys have done a bit of bird
They don t kill their own
and they all love their mothers
but you re out of your depth son
have a word

{Chorus}

I know it s coming, there s going to be violence
I ve taken as much as I m willing to take
Why do you think we should suffer in silence
The heart is broken, there s nothing to break

Dm **Am** **Em** **G**
All is wonderful in past lives

Dm **Am** **Em** **G**
Dreaming of the sun she warms

Dm **Am** **Em** **G**
You should see me in the afterlife

Dm **Am** **Em** **G**
Picking up the sons of dust

(no chords)

When you think we re lost, we re exploring
what you think is worthless, I m adoring
You don t want the truth, truth is boring
I got this fever need to
Leave the house, leave the car
Leave the bad men where they are
Leave a few shells in my gun
Stop me staring at the sun

{Chorus}

I know it s coming, there s going to be violence

I ve taken as much as I m willing to take

Why do you say we should suffer in silence

My heart is broken, there s nothing to break
