

Tripping

Robbie Williams

G **Bm** **Em**
First they ignore you
then laugh at you and hate you
then they fight you - then you win
When the truth dies
Very bad things happen
They re being heartless again

{Chorus}

G **Bm** **Em**
I know it s coming, there s going to be violence

G **Bm** **Em**
I ve taken as much as I m willing to take

G **Bm** **Em**
Why do you think we should suffer in silence

G **Bm** **Em**
When a heart is broken, there s nothing to break

You ve been mixing with some very heavy faces
the boys have done a bit of bird
They don t kill their own
and they all love their mothers
but you re out of your depth son
have a word

{Chorus}

I know it s coming, there s going to be violence

I ve taken as much as I m willing to take

Why do you think we should suffer in silence

The heart is broken, there s nothing to break

Em **Bm** **F#m** **A**
All is wonderful in past lives

Em **Bm** **F#m** **A**
Dreaming of the sun she warms

Em **Bm** **F#m** **A**
You should see me in the afterlife

Em **Bm** **F#m** **A**
Picking up the sons of dust

{no chords}

When you think we re lost, we re exploring

what you think is worthless, I m adoring

You don t want the truth, truth is boring

I got this fever need to

Leave the house, leave the car

Leave the bad men where they are

Leave a few shells in my gun

Stop me staring at the sun

{Chorus}

I know it s coming, there s going to be violence

I ve taken as much as I m willing to take

Why do you say we should suffer in silence

My heart is broken, there s nothing to break
