

You Know Me  
Robbie Williams

(intro) **G# Fm**

**G#**

If a man could beat his own fancy  
Then to only breed in captivity

**Fm**

is pointless

**G#**

**Fm**

I ve been doing what I like when I like how I like it s joyless

**C# G# D#**

Only you know me

**G#**

What a waste of all this peace ,  
baby steps and two more sleeps

**Fm**

Till I get to say sorry

**G#**

I get hysterical, historical; of love is just chemical

**Fm**

Give us something to stop me

**C# G# D#**

Only you know me

**G#**

**Fm**

Since you went away, my heart breaks everyday

**G#**

**Fm**

You don t know cos you re not there

**G#**

**D#**

**Fm**

**C7**

You simply found the words to make a lot of feelings fade away

**C# G# D#**

Only you know me

**G# Fm**

**G#**

I m doin fine  
And the sun often shines

**Fm**

What are you thinking?

**G#**

At the worst of my mind  
With this thunderbird wine

**Fm**

Baby, I m drinking

**C# G# D#**

Only you know me

**G#** **Fm**  
 Since you went away, my heart breaks everyday  
**G#** **Fm**
