

You Know Me  
Robbie Williams

(intro) **A F#m**

**A**  
If a man could beat his own fancy  
Then to only breed in captivity

**F#m**  
is pointless

**A** **F#m**  
I ve been doing what I like when I like how I like it s joyless

**D A E**  
Only you know me

**A**  
What a waste of all this peace ,  
baby steps and two more sleeps

**F#m**  
Till I get to say sorry

**A**  
I get hysterical, historical; of love is just chemical

**F#m**  
Give us something to stop me

**D A E**  
Only you know me

**A F#m**  
Since you went away, my heart breaks everyday

**A F#m**  
You don t know cos you re not there

**A E F#m C#7**  
You simply found the words to make a lot of feelings fade away

**D A E**  
Only you know me

**A F#m**

**A**  
I m doin fine  
And the sun often shines

**F#m**  
What are you thinking?

**A**  
At the worst of my mind  
With this thunderbird wine

**F#m**  
Baby, I m drinking

**D A E**  
Only you know me

**A** **F#m**  
Since you went away, my heart breaks everyday

**A** **F#m**  
You don t know cos you re not there

**A** **E** **F#m** **C#7**  
You simply found the words to make a lot of feelings fade away

**D** **A** **E**  
Only you know me

**D** **A** **E**  
Only you know me

**A** **F#m** **D** **A** **E**

**A** **F#m**
