

Your Gay Friend
Robbie Williams

G - / Em / D
G / Em / Am / C

A woo-hoo!

G **Em** **D**
Hey hey, here comes no-one
G **Em** **Am** **C**
Another friend for you to have a go on
G **Em** **D**
And she asks me, do I miss her when she's gone?
G **Em** **Am** **C**
And I reply, 'As much as I miss anyone?'
G
Oh! A woo-hoo
G **D** **Em**
And I'll be your gay friend
G/B **C** **G**
Cos your marriage never ends
D **Em**
Till we fuck and fight again
G/B **C** **G**
There's a space between us
G **D** **Em**
So jump into my bed
G/B **C** **G**
We'll pretend the world is dead
D **Em**
And always in my head
G/B **C** **G**
Is a face between us Hey Lord, forgive us we're wrong
I'll make sure that he never hears this song
And she says that I'm the opposite of a Hallmark card
She asks me how I'm feeling, well, I don't wanna think that hard

Chorus

Am **G** **C**
It's the late show now
D **Em**
How does the late show end?
F#m **G**
Well, if god is in the details
Am
Thank god that you're my friend
G **C** **D**
I have a friend again

D **Em** **F#m**

You are my friend again

G **D** **Em** **G/B** **C**

My gay friend Oh! A woo-hoo!
