

**Falling Through**  
**Robert Borden**

ref.:

**F**                **Am**                **G**                **Am**  
I keep stepping; on empty spaces  
**F**                **Am**                **G**  
I keep falling through  
**F**                **Am**                **G**                **Am**  
I m not sure anymore  
                 **F**                **Am**                **G**  
but I m still falling through...  
                 **Am, F, G**  
for you

VERSE 1:

**F**                **Am**  
I m still scarred  
                 **G**                                **Am**  
from exposure to the heart  
                 **F**                **Am**  
and I m still bleeding  
                 **G**                                **Am**  
cos you don t look at me like that anymore

CHORUS...

VERSE 2 (same chords as 1ST VERSE):

When I look in the mirror  
No, I don t see you in me  
When I look you in the eyes,  
you look past me (ooooh)

CHORUS (X2)
