The U.S. Air Force (The Air Force Song) chords
Capt. Robert Crawford
G D G
Off we go into the wild blue yonder,
climbing high into the sun
Here they come zooming to meet our thunder,
at em boys, Give er the gun!
Down we dive, spouting our flame from under,
off with one hell of a roar!
                   Αm
We live in fame or go down in flame,
                     D G D
nothing can stop the U.S. Air Force!
G
                    D
Minds of men fashioned a crate of thunder,
sent it high into the blue
Hands of men blasted the world asunder;
how they lived God only knew! (God only knew!)
Souls of men dreaming of skies to conquer,
gave us wings, ever to soar!
                   Am
With scouts before and bombers galore,
                    D G D
nothing will stop the U.S. Air Force!
Here s a toast to the host
Of those who love the vastness of the sky,
To a friend we send a message of his brother men who fly.
```

We drink to those who gave their all of old, Then down we roar to score the rainbow s pot of gold. A toast to the host of men we boast, the U.S. Air Force!

Off we go into the wild sky yonder,
Keep the wings level and true;
If you d live to be a grey-haired wonder
Keep the nose out of the blue!
Flying men, guarding the nation s border,
We ll be there, followed by more!
In echelon we carry on.
Nothing will stop the U.S. Air Force!
