

Im Going To Town
Robert Earl Keen

[Intro]

A riff

[Verse]

A

I washed my face I combed my hair

A

I put a clean shirt on

E

It s just too lonesome here

E **A - A**

Since you ve been gone

D

The birds and the bees are shakin the trees

A

Talkin politics

B

The Fox and the hound are hangin around

F **E - E**

Livin it up in the sticks

[Chorus]

D

I m going to town

A - A

It s Saturday night

D

I m over you now

E

No slowin me down

A

I m goin to town

[Instrumental]

D A D E A

[Verse]

A

I fell asleep in my easy chair

A

I did not wake up until dawn

E

Looked out the window, all I saw was no where

E **A - A**

Man this ain t where I belong

D

Cows in the corn, took the bull by the horns

A

Led him back into the barn

B

I m telling myself I m through missing you

F **E** - **E**

Got to get off of this box

[Chorus]

D

I m going to town

A - **A**

It s Saturday night

D

I m over you now

E

No slowin me down

A

I m goin to town

[Instrumental]

D A D E A

[Bridge]

A

Packin up the pickup truck

A

I m putting her in gear

A

Ain t takin another minute

A

Wonderin what I m doin here

D

There s a place on the horizon

D

Where the lights are shining bright

D

I m packing up the pickup truck

A

And going there tonight

[Chorus]

D

I m going to town

A - **A**

It s Saturday night

D

I m over you now

E

No slowin me down

A

I m goin to town

[Outro]

D A D E A
