

B7 **D7** **A7**
Robs me of my sleep, and I ve for-gotten the date.

A7 **B7**
My head started spinning, soon as you started singing,
D7 **E7** **A7**
And like a fish, I just rose to the bait.

Verse 3:

A7 **B7**
Hey, hey Julia, with your crazy sense of humour,
D7 **A7**
You turn fact into rumour, soon as you come near.
A7 **B7**
A horn section, you resemble, and your figure makes me tremble,
D7 **A7**
And I sure would like to handle what s be-tween your ears.

Chorus 3:

B7 **D7** **A7**
You re a temp-tation to a man.
B7 **D7** **A7**
I could not re-sist you, and I won t if I can.
A7 **B7**
You re so unexpected and what-ever you injected,
D7 **E7** **A7**
Made me feel how I felt when I sang.

A7 **B7**
Julia, you re a danger; just like giving sweets to strangers,
D7 **E7** **A7**
And I think its time I took you in hand.
