Verse 1:

**D7**

It s crazy, but I m frightened by the sound of the telephone, oh yeah,  
I m worried that the caller might have awful news, oh my.  
Who knows these days, where on earth the money goes? oh yeah,  
No doubt we could put it to a better use, oh my.

Verse 2:

**D7**

You keep insisting that nobody showed you,  
How to keep relationships, oh yeah, your daddy made a real good try, oh my.

**E7**

You said you knew all along, we could work it out, oh yeah,

**G7**

Do you have to make a fuss, every time we fly?

**D7**

Oh, I m looking for clues.

Verse 3:

**D7**

I have to make an effort, now just to be serious, oh yeah,  
Nobody s gonna give you the benefit of the doubt, oh my.  
Every time I pick a paper up, it s harder to believe the news,  
Oh yeah, I m gonna have to shake it up and twist and shout, oh my.
