

Chokin On Dust
Robert Pattinson

The main song from the movie *How to be*. Rob doesn't use his usual bluesy voice for this song, instead it's a pretty cockney accent. Enjoy!

G **Cadd9 C**
I don't know what I've been told
G **C**
Parent's love is awful cold
G **C**
Instead of light ya, They just scold.
Em **D** **Cadd9**
I'd like to find a way to break away
Em **D** **Cadd9**
But I'm left behind, chokin' on the dust
Cadd9 **G**
Chokin' on dust, chokin' on dust.

I'm not totally sure if the lyrics are right :)
