I Was Broken
Robert Pattinson

This is my First Chords , so they are not perfect but close , they sound good to
me ...
get robs strumming patterns go to youtube ... Enjoy!

Capo 1!!!!!!!!!

G   C
 I was broke
G   C
I was tired now I m [bound]
G   C
My head is off the ground
G   C
For a long time I was so weary
G   C
Time will decide, but before
G   Em
No one loves the nighttime at the door

                                            D

[Hope she] finds things I ve [deemed]
Em

    D
Something between the burning light and the dusty shade

G   C
Said I used to think the past was dead and gone
G
But I was wrong, so wrong
C
G
Whatever makes a [---] makes you strong, makes you strong

                                                        Em

And by time I m melting into many forms

                                        D
From the day that I was born
G
u can add a C if u think it sound better }
And I know that there is no place to hide
G

 D
Something between the burning shade and the faded light

G
And I was broken for a long time
Em   D   G

```
But it s over now
 G                                                    Em
Said I was broken for a long time
                     D
But it s over now
G
But it s over now

G                          C
Yes and  you,
G                                                           C
 yeah you walk these lonely streets and people stare
G                          C
People stare
G                                    C
Now some fool just got [near]
G
And I do pretend
{ u can add a C , if it sounds good to u }
G                                                    Em
Now I m free from all the things that saved my friends
                                  D
And I was [debted] to the end
                                           Em
Now I know I can change the mood
                                             D
Something between the burning shade and the faded light

G                                    Em
And I was broken for a long time
D                          G
But it s over now, it s over now
G                          C
Mm it s over now, now, now
G                          C
It s over now, it s over now.
G                          D
It s over now, now, now
G
Said I was broken for a long time
Em              D                G
But it s over now

Cadd9            Em              Cadd9
But it s over, But it s over, But its over
Em                 Cadd9              Em
But it s over, but it s over, But it s over
 Cadd9
But it s over now, now, now, now
Em                 Cadd9              Em
But its over, But its over, But its over
```

Em
But it s over, love is over
G
But it s over now
C   **C**
But it s over, love is over
G
But it s over now,
G
I was broken for a long time yeah
Em   **Cadd9**
But it s over, but it s over now yeah
Em   **Cadd9**   **Em**
Over now, it s all over, it s over now.
