

A Stolen Kiss  
Robert Plant

**Bbm Fm G#**  
How long has it been like this  
**C# F# C#**  
Lost and found and lost yet again  
**Bbm G# C# F#**  
Here in the heat of a stolen kiss  
**C#**  
I make my home

**C# Fm G#**  
How long has it been this way  
**C# F# C#**  
On and on as the days slip away  
**Bbm G# C# F#**  
Oh lost in language oh lost in song  
**C#**  
I m gone

**F#m C#**

**A5 G#5 G#**  
I am drawn to the western shore  
**A5 G#5**  
Where the light moves bright upon the tide  
**A5 G#5 G#**  
To the lullaby and the ceaseless roar  
**A5 B**  
And the songs that never die

**Bbm Fm G#**  
Love waits for no one, there s so little time  
**C# F# C#**  
It s cruel and elusive and so hard to find  
**Bbm G# C# F#**  
And moving further and further each day  
**C#**  
I m gone

**C# Fm Bbm G# Am \*3 C# F#m C#**

**A5 G#5 G#**  
I am drawn to the western shore
