Robert Plant

G#m Ebm F#
How long has it been like this
B E B
Lost and found and lost yet again
G#m F# B E
Here in the heat of a stolen kiss

I make my home

B Ebm F#
How long has it been this way
B E B
On and on as the days slip away
G#m F# B E
Oh lost in language oh lost in song
B
I m gone

Where the light moves bright upon the tide

To the lullaby and the ceaseless roar

And the songs that never die

G#m Ebm F#
Love waits for no one, there s so little time
B E B
It s cruel and elusive and so hard to find
G#m F# B E
And moving further and further each day
B
I m gone
