

A Stolen Kiss
Robert Plant

Bm F#m A
How long has it been like this
D G D
Lost and found and lost yet again
Bm A D G
Here in the heat of a stolen kiss
D
I make my home

D F#m A
How long has it been this way
D G D
On and on as the days slip away
Bm A D G
Oh lost in language oh lost in song
D
I m gone

Gm D

Bb5 A5 A
I am drawn to the western shore
Bb5 A5
Where the light moves bright upon the tide
Bb5 A5 A
To the lullaby and the ceaseless roar
Bb5 C
And the songs that never die

Bm F#m A
Love waits for no one, there s so little time
D G D
It s cruel and elusive and so hard to find
Bm A D G
And moving further and further each day
D
I m gone
