Verse 3:

My love is exceeding.....

Red eyed and fevered.....

Distance alone my thoughts will provide

Should I rest for a while beside(?)

Verse 4:

Your love is cradled in knowing

Eyes in the mirror still expecting.....
Sensing too well when the journey is done
There is no turning back.....

There is no turning back
on the run

That s basically it. If someone can fix up the lyrics, I d appreciate it.
Have fun!
