Intro:C# F# C# F# G# C# (2x)

```
C#                          F#            C#
There is a home out of harms swift way
F#        G#        C#
I set myself to find
  C#
I swore to my love I would
F#          C#
bring her there
F#                G#        C#
Then I left my love behind
    C#
The desert was long
    F#          C#
The mountain high
    F#        G#          C#
The road ran steep and winding
    C#              F#      C#
The promises so easily made
  F#          G#    C#
Unbearable, yet binding
```

```
F#        C#
Oh me, oh my
F#              G#          C#
Who s gonna count my time
F#        C#
Oh me, oh my
F#              G#          C#
Who s gonna count my time
```

C# F# C# F# G# C#

```
C#                      F#      C#
Time will go, it never stays
F#        G#                  C#
Memory locked in her passing
C#                  F#          C#
Try, oh try to cling to her
    F#      G#          C#
til she becomes everlasting
    C#
```

```
The world s still blue
    F#            C#
My word s still true
F#          G#        C#
I feel I m turning hollow
     C#
She does as she please
        F#      C#
If she ever leaves
      F#          G#        C#
I ll strangle upon my sorrow

F#      C#
Oh me, oh my
F#            G#        C#
Who s gonna mark my time
F#      C#
Oh me, oh my
F#            G#        C#
Who s gonna mark my time

C# F# C#   F# G# C# (2x)

    C#               F#            C#
The road is past, tomorrow the sky
  F#        G#         C#
Between sometimes is blinding
C#                   F#         C#
Someday soon when I turn to cloud
       F#          G#         C#
I will find on her wings somehow
C#                     F#            C#
Wrapped in the road and filled with above
     F#            G#        C#
The ground seems to fade away
C#                       F#        C#
Hold to the earth like a new born child
F#          G#        C#
Pray she returns someday

F#      C#
Oh me, oh my
F#            G#        C#
Who s gonna mark my time
F#      C#
Oh me, oh my
F#            G#        C#
Who s gonna mark my time

F#      C#
Oh me, oh my
F#            G#        C#
Who s gonna mark my time
```

F#   **C#**
Oh me, oh my
F#   **G#**   **C#**
Who s gonna mark my time

F#   **C#**
Oh me, oh my
F#   **G#**   **C#**
Who s gonna mark my time
F#   **C#**
Oh me, oh my
F#   **G#**   **C#**
Who s gonna mark my time
