Verse:

Am	G	
And I open my eyes		
Am	G	Am
As the sun leaves the western sky		
Am	G	
Precious memory dies		
Am	G	Am
Once again you are here at my side		

Am	G	
Blow wind blow		
G	E5	G5 Am
Through my heart let the four winds blow		

And I m back on the hill

----2-0---0-----
0-3-----3-----

Yes you ve gone but you re with me still

----2-0---0-2-----
0-3-----3-----3p0-----

Now I m way down the line

```

Am          G
Blow wind blow

          G          E5   G5   Am
Through my heart let the four winds blow

          G                                          Am
I ve been walking with strangers and talking all out of my mind

          G                                          Am
While the dogs in the manger, elusive and so hard to find

          G                                          Am
Conversations with angels, I seek the dimensional key

          G                                          E5
I been wheeling and dealing whatever will bring you to me

```

```

      Uh uh uh uh uh uh...

Am          G
Blow wind blow

          G          E5   G5   Am
Through my heart let the four winds blow

Am          G
Blow wind blow

          G          E5   G5   Am
Through my heart let the four winds blow

          G                                          Am
I ve been walking with strangers and talking all out of my mind

          G                                          Am
