Verse 1

Em^o  
                  B^o                  Em^o  
There s a place he knows  
                          B^o                  Em^o  
Where horrible stories grow old  
                  B^o                  C  
It s in a house that mummy sold  
Em^o          B^o                  Em  
Inside a door he knows  
                          B^o                  Em^o  
Where secrets are left to grow  
                  B^o                          C  
Up from the basement and through the floor

PreChorus

Am^o          B^o                  Em^o          B^o  
And it s true that he doesn t believe  
          C                  G                  B  
That a better set of days will come

Chorus:

**Am**                      **Em**  
Silence makes him sick  
**Am**                      **Em**  
Silence makes him sick

**C**                      **G**                      **B**  
And he wonders why it s all like this
