G D  
lady love, are you sad today,  
Am C  
Come and sway with me over here  
D  
sorry sunlight jaded forever,  
Am  
I dont like it cold in the summer  
C D  
no need for the wasteland of the pain anymore

G Am  
my hands, embrace the air,  
C B7  
every time i look at you

G Am  
one last chance and we can burn the morrow,  
C D  
one last chance before tomorrow

G Am  
i dont care where we go  
G Am  
i dont care what we do  
G Am  
doesnt matter who we are  
G Am Em C  
cause all we have is the broken calm of the sea

it time to let things go  
its time to just be free

(Coro)

junkie, come on now junkie  
id like to find a way to kill the pain for you  
junkie, you are the cry of pain  
i know that someday love and death will make you new

Uhh!

G D Am C

lady love, arose horizon,  
while we ve been gone she holds my hand  
i just want to mourn this forever,  
wanna sleep in love wherever  
no need for the wasteland of the wounded sea

one last chance and we will burn the sorrow  
one last chance before tomorrow

(Coro)(x2)

junkie, come on now junkie  
id like to find a way to kill the pain for you  
junkie, you are the cry of pain  
i know that someday love and death will make you new
