**Dm7 G7**

**Cmaj7 Em7**

cause when you smile at me, ooh harmony

**Dm7 G7**

heh, you light all the world with your energy

oh, baby

You walk with your head high

you only take what s right, oh harmony ...

I know just what you need.

New job, a brand new car

it feels like you re going far, oh harmony ...

you re a flower in bloom

Out with the old, in with the new

Walk away from what all those men did to you

Now you re light on your feet

And now every man touch their head, to get a better look

Cause when you feel love, Ms Harmony

oh, you deserve everything you dream

cause when you smile at me, ooh harmony

heh, you light all the world with your energy

oh, baby

Da da da da  
Ohh, eh  
da da da da  
oooo, ohhh yeah

Cause when you feel love, ooo Harmony  
you deserve everything you dream  
cause when you smile at me, ooo harmony  
heh, you light all the world with your energy  
oh, baby

Da da da da  
Da da da da

Cause when you feel that your loving, oh Harmony come love me tonight
