Robot Koch feat. John LaMonica - Nitesky

The whole song is a repetitive 3 chords, figured I d put the lyric placement.

Intro (one strum each) -
F#m D A x2

```
        F#m     D
No one knows
          A
What it s like
         F#m     D
You and me
         A
You and I
         F#m     D
Underneath
           A
The night sky
         F#m    D
You and me
         A
You and I
```

F#m D A x6 (on the 5th and 6th times strum each chord only once)

```
       F#m    D
I get lost
          A
All the time
          F#m     D
In my thoughts
         A
In my mind
           F#m     D
You come through
         A
Like a light
         F#m    D
In the dark
           A
```

Gave us sight

F#m D A x3 (strum each chord once)

      F#m   **D**
If you let her soul lie
    A
And let my soul lie
    F#m   **D**   **A**
And let my soul lie   **F#m**
(It would come right back to you)
          D
If you let her soul lie
    A
And let my soul lie
   F#m   **D**   **A**
And let my soul lie
                F#m   **D** **A**
(It would come right back to you)

F#m D A x4 (one strum for each chord)

      F#m   **D**
No one sees
        A
What it s like
    F#m   **D**
You and me
      A
You and I
   F#m   **D**
Never go
     A
Never hide
    F#m   **D**
You and me
      A
You and I

      F#m   **D**
If you let her soul lie
    A
And let my soul lie
   F#m   **D**   **A**
And let my soul lie   **F#m**
(It would come right back to you)
          D
If you let her soul lie
   A
And let my soul lie
   F#m   **D**   **A**
And let my soul lie

```
                             F#m
(It would come right back to you)
              D
If you let her soul lie
     A
And let my soul lie
    F#m     D       A
And let my soul lie
                            F#m              D A
(It would come right back to you) If you..

F#m D A 4x (one strum each chord)
```
