This is a pretty cool wedding song i got to transcribe from the robotech animation which aired (1985-87) when i was much younger. Enjoy.

Together - Theme song from the animation Robotech  
-----

There s {C}magic in the air tonight  
{F}Moonlight stars are burning bright  
Your {Dm}face glows by the candle light  
It s {G}all because tonight s the night  
{C}Now hold my hand and take this {Dm}ring... {C}as we unite in  
harmony{Dm}-ny  
{C}We can begin to live a {Am}dream...the dream that s {C}meant for {G}you  
and {Dm}me

To be together{C}{Fmaj7} for the {Dm}first time in our lives it s us  
{G}together {G7}  
As married{C} man and wife{Am}, we ll be together{Dm} from now on  
Until{Am} death do us part{Dm} and even then{G} I hope our heaven{Dm}  
lasts forever{C}

I promise to be always true  
To the very end with you  
In good times and in bad times too  
I know that we can make it through  
As one unite and we ll be strong because together we belong  
If I could sing to you a song, I sing of love that won t go wrong

If we re together, we ll make a brand new life for us together  
As married man and wife, we ll be together from now on  
Until death do us part and even then I hope our heaven lasts forever
