

Bed Scenes

Robots in Disguise

I noticed this wasn't on here, so I decided to tab it. It's pretty simple. It can be in barrchord form or normal, though RID use barrchords.

During the Bed Scenes chorus and verses, play...

E, A, G.

I trust you can work out the placing of the chords and the rhythm, as it's not too

Keep the rhythm the same for the choruses and the verses!

You play E A and G for the first 2 choruses, a verse and another 2 choruses.

THEN, you come to a bridge. The lyrics go like this:

Mouths glued
All lips
Eyes shine
Bite down

It's slower than the rest of the song, and the chords in this are rather simple. These are not barrchords. RID fingerpick the notes, but you don't have it.

The chords for the bridge are: C, E, A, G.

C.....E

Mouths glued

A.....G

All lips

C.....E

Eyes shine

A.....G

Bite down

Here are the lyrics! ENJOY!

E.....A....G

Bed scenes!

E.....A....G

Bed scenes!

E.....A....G

Bed scenes!

E.....A....G

Bed scenes!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

I feel calm as I take your tongue
Breathe you past lips into lungs
I feel a little sick and you uncovered
A change of flavour - I dare you!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

Mouths glued
All lips
Eyes shine
Bite down

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

I feel stirred on this ascent
To little death by your fingers
I am a littled licked, but I ll recover
Like the switchback - I ll take you!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

Bite down
Eyes shine
All lips
Mouths glued

Bed scenes!
Bed scenes!
Bed scenes!

Bed scenes!

Bed scenes!

Bed scenes!

Bed scenes!

Bed scenes!

Bed scenes!

Bed scenes!

Bed scenes!

Bed scenes!

It s obscene!

Bed scenes!

You ll break free!

(That ll do! That s IT!)

Sorry if this is confusing in any way. Wasn t sure how to explain it best.
