

Im Not Even A Nurse

Robyn Hitchcock

Iâ€™m Not Even a Nurse, Robyn Hitchcock

Clanging, Barrett-esque acoustic solo piece.

E A E B
Iâ€™m not even a nurse in a world with a curse

E A B
Iâ€™m not even a doctor or knight.

E A E B
I canâ€™t help you at all I just stand as you fall

A E B
And I hope that youâ€™re falling alright.

(same)

A long time ago, when we first said hello
I thought youâ€™d be cure right away.
But I tried for so long, and it all came out wrong
And youâ€™re sicker than ever today.

Bridge

E A
Hold hard, with your face to the wind

E A B
And your music all over my spine

E A
Hold hard with your face coming in

F#
And your mine.

(same as first)

So take care of your sheep and take of your sleep
And take care of your mother and friends.
If I see you again, Iâ€™ll explain it all then
If I donâ€™t, then you know how it ends.
