**Ever Again**
**Robyn**

D Em C Em and D Em C progressions represent the synthesizer track except for the
bridge, which is actually a
guitar riff but I ve nonetheless represented here as chords. When the synth
replaces the guitar in the bridge,
on the album track, I think the Em and C barre chords down the neck (higher
pitched) better represent
the energy of the original.

[Verse 1]
```
                 D                    Em     C
Come on, let s have it out
            Em
Go  head and try a little crazy on me
                   D              Em     C
You don t have to worry
          Em
About the pulling and pushing away
               D             Em
We never used to get it right
    C        Em
So baby, alright for getting startled
                       D              Em     C
But that s not how it s gonna be
             Em
That shit s out the door
That shit s out the door
```

[Chorus]
```
D                        Em
Never gonna be brokenhearted
C       Em
Ever again
```

```
(That shit s out the door)
D                            Em
I m only gonna sing about love
C       Em
Ever again
D                  Em       C
Never gonna let it happen
Em
Then it won t be all for nothing
                 D               Em
Oh, I swear I m never gonna be brokenhearted
C       Em
Ever again
```

[Verse 2]
```
                     D                    Em      C
Come on, let s have it out
             Em
I just want you to be able to be yourself
                      D                Em      C
There s nothing to worry about
             Em
How  bout we stop arguing and do something else?
                   D                Em      C
So many things we haven t tried
                Em
Baby, you know we re just getting started
                    D                    Em      C
Daddy issues and silly games
              Em
That shit got so lame
That shit got so lame
```

[Chorus]
```
D                           Em
Never gonna be brokenhearted
C       Em
Ever again
(That shit s out the door)
D                           Em
I m only gonna sing about love
C       Em
Ever again
(Never gonna be brokenhearted, baby)
D                     Em        C
Never gonna let it happen
Em
Then it won t be all for nothing
                    D                       Em
Oh, I swear I m never gonna be brokenhearted
C       Em
Ever again
```

[Bridge]
```
                  D
Come on, let s have it out
Em                          C
(Never gonn a be brokenhearted)

Come on, let s have it out
D                       C             Em
(Never gonna be brokenhearted)
                  D
Come on, let s have it out
Em
(Never gonna be brokenhearted)
        C
```

(Ever again)
You know you can trust me, right?
Come on, let s have it out
D                               Em          C
(Only gonna sing about love ever again)
Come on, let s have it out
Come on, let s have it out

D Em C
D Em

        C
You can trust me, babe
It ain t ever gonna be that way again

[Chorus]
D                       Em
Never gonna let it happen
(No baby, never)
C
Then it won t be all for nothing
                    D                       Em
Oh, I swear I m never gonna be brokenhearted
        C
Ever again
D                       Em
Never gonna be brokenhearted
        C
Ever again
(Never, ever, ever)
        D                       Em
I m only gonna sing about love
        C
Ever again

(Trust me, trust me)
D                       Em
Never gonna let it happen
C
(Then it won t be all for nothing, I swear)
                    D                       Em
Oh, I swear I m never gonna be brokenhearted
        C
Ever again
(Ever again)

[Outro]
D                       Em
Never gonna let it happen
        C
(Cool)

(Ever again)

**D**                    **Em**

Never gonna let it happen

**C**
