

Hang With Me

Robyn

I ve been playing these as palm mutes power chords, so there might be some minors that I didn t include. Also, someone else should tab all the orchestral stuff. Cuz it s awesome.

ARUN DID THIS INSTEAD OF REAL WORK. TAKE THAT RESPONSIBILITY.

Intro: [**D5**] [**C#/D**] [Low **D**]

[**D5**] [**C#/D**] [Low **D**]
Will you tell me once again

[**B**] [**A**] [**D**]
If you re for real and not pretend
[**B**][**A**] [**D**]
Then I guess you can hang with me

When my patience s wearing thin
When I m ready to give in
Will you pick me up again?
Then I guess you can hang with me

[**B**] [**B**][**A**]
And if you do me right
[**A**][**B**]

[**B**][**A**]
And if you keep it tight
[**A**][**B**]
I m gonna confide in you
[**A**]
I know what s on your mind
[**A**] [**D**]
There will be time for that too

Oh, you can hang with me

When you see me drift astray
Outta touch and outta place
Will you tell me to my face?
Then I guess you can hang with me

And if you do me right
I m gonna do right by you
And if you keep it tight
I m gonna confide in you
I know what s on your mind
There will be time for that too
If you hang with me

Just don t fall
Recklessly, headlessly in love with me
Cause it s gonna be
All heartbreak
Blissfully painful and insanity
If we agree you can hang with me

Just don t fall
Recklessly, headlessly in love with me
Cause it s gonna be
All heartbreak
Blissfully painful and insanity
If we agree

Oh, you can hang with me

Hang with me
