

**Honey**

**Robyn**

[Intro]

**A** **G**  
No, you re not gonna get what you need

**Bm**  
Baby, I have what you want

**A**  
Come get your honey

**G**  
No, you re not gonna get what you need

**Bm**  
But baby, I have what you want

**A**  
Come get your honey

I got your honey, baby

[Verse 1]

**G**  
Every colour and every taste

Every breath that whispers your name

**Bm**  
It s like emeralds on the pavement

**A**  
Every colour and every taste

Every breath that whispers your name

It s like emeralds on the pavement

I got your honey, baby

**G**  
At the heart of some kind of flower

Stuck in glitter, strands of saliva

**Bm**  
Won t you get me right where the hurt is?

**A**  
At the heart of some kind of flower

Stuck in glitter, strands of saliva

Won t you get me right where the hurt is?

[Pre-Chorus]

**G**

And the waves come in and they re golden

**Bm**

**A**

But down in the deep the honey is sweeter

(Ooh, it is sweeter, baby)

**G**

And the sun sets on the water

**Bm**

**A**

But down in the deep the current is stronger

Oh, yeah

[Chorus]

**G**

No, you re not gonna get what you need

**Bm**

But baby, I have what you want

**A**

Come get your honey

**G**

No, you re not gonna get what you need (you need)

**Bm**

Baby, I have what you want (what you want)

**A**

Come get your honey

I got your honey, baby

[Verse 2]

**Bm**

Can you open up to the pleasure?

Suck it up inside like a treasure

Let the brighter place be your passion

**Bm**

Can you open up to the pleasure?

Suck it up inside like a treasure

Let the brighter place be your passion

I got your honey, baby

**G**

Let go of your doubt, say yes

Let it soak up into the flesh

**Bm**

Never had this kind of nutrition

**A**

Let go of your doubts, say yes

Let it soak up into the flesh

Never had this kind of nutrition

[Pre-Chorus]

**G**

And the waves come in and they re golden

**Bm**

**A**

But down in the deep the honey is sweeter (sweeter, yeah, yeah)

**G**

And the sun sets on the water

**Bm**

**A**

But down in the deep the current is stronger (deep, baby)

Ooh, it s stronger

[Chorus]

**G**

No, you re not gonna get what you need

**Bm**

Baby, I have what you want

**A**

Come get your honey (I have what you want)

**G**

No, you re not gonna get what you need (get what you need)

**Bm**

Baby, I have what you want (what you want)

**A**

Come get your honey, baby (I have what you want)

**G**

No, you re not gonna get what you need (get what you need)

**Bm**

But I have what you want

**A**

And you know that I got it for you, baby

Baby, I have what you want

**G**

Ooh, come get your honey, baby

**Bm**

**A**

Baby, I have what you want

Come get it, baby
