Indestructible - Robyn

Note: The bass notes aren't exact but fit well with the strings on the recording. Lyrics have been written down by ear so they may not be completely correct. I usually play the song with rock chords but open chords work well too.

Intro:

Bass notes: | H - A | G - F# |
 | H - | x4
 | H - A | G - F# |

Vers 1:

Hm

I m gonna back us through time at the speed of light

A

I m yours, you re mine, two satellites not alone

No we re not alone

Hm

A freeze frame, move your eye in the strobe light

Sweat dripping down from your brow, hold tight

A

Don t let got, don t you let me go

Bridge:

G D

And I never was smart with love

A

I let the bad ones in and the good ones go, but

Chorus:

C Em

I m gonna love you like I never been hurt before

D Em

I m gonna love you like I m indestructible

C Em

Your love is all too magnetic and it s taking over

D A

This is hardcore and I m indestructible

| H - A | G - F# |

Vers 2:

Hm

Hands up in the air, like we don't care

A

We're shooting deep into space and the lasers split the dark

Cut right through the dark

Hm

It's just a sweet nother crowd dancing, but to the flow

A

Beats in my heart, put your hands on my heart

Bridge:

G D

And I never was smart with love,

A

I let the bad ones in and the good ones go, but

Chorus x2:

C Em

I'm gonna love you like I never been hurt before

D Em

I'm gonna love you like I'm indestructible

C Em

Your love is all too magnetic and it's taking over

D A

This is hardcore and I'm indestructible

| H - A | G - F# |
| H - | H - | A - | A - | x3

Bridge:

G D

And I never was smart with love,

A

I let the bad ones in and the good ones go, but

Chorus x2:

C Em

I'm gonna love you like I never been hurt before

D Em

I'm gonna love you like I'm indestructible

C Em

Your love is all too magnetic and it's taking over
