This works better playing Barre cords

Intro:

Slide Cords **B/C** **E/F** **Bb** *2

Play normal **C** **F** **Bb** slide down >>> **Bb A G** *2

Verse:

G C then take your 4th finger off and play all the strings on the 3rd position then play 3, 4 and 5 (Bb B C) on your D string.

G C then take your 4th finger off and play all the strings on the 3rd position
No run at the end

Play this 4 times

Pre Chours:

G pm..... then play

e -----
b -----
g ---5-3---3-5--
d -----5-----
a -----
E -----

Chours:

same as intro with the run at the eng

Verse: Ditto

Chours: Ditto

then there is a weird bit near the end
