

Once In A While
Rocky Horror

Once in a while she don t want to call you **G** **Em**
Speaking on the telephone **Am** **D7**
And once in your life she won t want to know you **G** **Em**
You look around, the one you found she is gone **C** **D7**

(Repeat chords for the rest of the song)

And that s all the time that it takes
For a heart to turn to stone
The sweeter the wine the harder to make the break
You hear something about someone you thought you d known

So baby don t cry like there s no tomorrow
After the night there s brand new day
And there ll be no pain and no more sorrow
So wash your face and phone my place, it ll be okay.

And that s all the time that it takes
For a heart to beat again
So give me a sign that a lover makes
You look around, the one you found is back again...

This is the first song I ve ever tabbed. I did it by ear, and it sounds right to
me. If you have any questions you can email me at itsonlyrain11@yahoo.com
