<b>A</b>	<b>B</b>
It s astounding, time is fleeting	
<b>G D A</b>	
Madness takes its toll	
<b>A</b>	<b>B</b>
But listen closely, not for very much longer	
<b>G D A</b>	
I ve got to keep control	
<b>A</b>	<b>B</b>
I remember doing the Time Warp	
<b>G D A</b>	
Drinking those moments when	
<b>A</b>	<b>B</b>
The blackness would hit me and the void would be calling	
<b>F C G D A</b>	
Let s do the time warp again...	
<b>F C G D A</b>	

Let s do the time warp again!

CHORUS:

It s just a jump to the left **E**  
And then a step to the right **A**  
With your hands on your hips **E**  
You bring your knees in tight **A**  
But it s the pelvic thrust that really drives you insane, **D A**  
**F C G D A**  
Let s do the Time Warp again!  
**F C G D A**  
Let s do the Time Warp again!

It s so dreamy, oh fantasy free me **A B**  
So you can t see me, no not at all **G D A**  
In another dimension, with voyeuristic intention **A B**  
Well-secluded, I see all **G D A**  
With a bit of a mind flip **A**  
You re into the time slip **B**  
And nothing can ever be the same **G D A**  
You re spaced out on sensation, like you re under sedation **A B**  
**F C G D A**  
Let s do the Time Warp again!  
**F C G D A**  
Let s do the Time Warp again!

**A**  
Well I was walking down the street just a-having a think  
When a snake of a guy gave me an evil wink **D**  
He shook me up, he took me by surprise **A**  
He had a pickup truck and the devil s eyes.  
**E D**  
He stared at me and I felt a change **A**

Time meant nothing, never would again

**F C G D A**

Let s do the Time Warp again!

**F C G D A**

Let s do the Time Warp again!

CHORUS

END
