

**Above The Water**  
**Rocky Votolato**

Artist: Rocky Votolato  
Album: Television of Saints  
Song: Above the Water

VERSE 1:

**A** **C#m**  
My voice went missing in and under  
**D** **A** **E**  
The rattle of the freeway wheels and silent brickhouses  
**A** **C#**  
Don't let me go that way I've been down dead end roads  
**D** **A** **E**  
Too many times already I ought to know where they go

BRIDGE:

**Bm** **D** **A**  
The doubts that you listen to at night  
**Bm** **C#m** **D** **Dm**  
Are the tides that wash you out into the ocean

CHORUS:

**A** **E** **Bm** **D**  
We've gone way too far  
**A** **E** **Bm**  
To watch these dreams drown now  
**A** **E** **Bm** **D**  
Come on, just a little further  
**A** **E** **Bm**  
We're almost to the shore  
**C#m** **Bm** **A**  
Just keep your head above the water

VERSE 2:

**A** **C#m**  
The sun comes in through poplar branches  
**D** **A** **E**  
Shining on an empty easel, a blank white canvas  
**A** **C#m**  
With a mind that sharpens in-to rusty knives  
**D** **A** **E**  
That cut you hard and leave you wandering alone in the dark  
**Bm** **D** **A**  
The doubts that you listen to at night  
**Bm** **C#m** **D** **Dm**  
Are the tides that wash you out into the ocean

**A       E       Bm       D**  
We ve gone way too far

**A               E               Bm**  
To watch these dreams drown now

**A       E               Bm       D**  
Come on, just a little further

**A       E       Bm**  
We re almost to the shore

**C#m               Bm               A**  
Just keep your head above the water
