Rocky Votolato - Fragments

Bm

Bm **G**
Got a folder full of fragments

D **F#** **Bm**
You re losing all acquaintances, losing your balance

G **D**
Over spikes, over trip wires, you ve got such obvious style

F# **Bm** **G** **D**
Put limits on thoughts " limit all thinking

CHORUS:

D **A** **Bm**
Ego is running wild - a monster is hiding behind

G
Your smoke ring eyes

D **F#** **G#**
The harder you fight the tide

Bm **G** **D**
The less likely you ll survive

Bm **G** **F# G** **Bm**
The less likely you ll survive

Bm **G**
There s a constant farewell

D **F#** **Bm**
Into a new dream full of unpolluted sorrows

G
Document a scattered mind

D **F#**
Where the waves fall, like the soldiers that die on the shore

Bm **G** **D**
Seaside ghosts now

CHORUS:

Ego is running wild - a monster is hiding behind
Your smoke ring eyes
The harder you fight the tide

Ego is running wild - look at your rattlesnake skin
Your smoke ring eyes
The harder you fight the tide
The less likely you ll survive, the less likely you ll survive
