and for D s during the verse its

e|--0h2---h3

G C G D Em
the days behind you are haunting / the ones your living in now / the ghost
C G D G C
of your past carries / the weight of your name / where would you be who are
G D Em C G
you / without the scaring and the heals that stepped on you / that you

D
cling to with all of your strength /

Em C G
let go - freefall - it s scary I know

D Em C G
to forgive all of the devils / let go - i ll catch you / It s scary I know

D
to understand what must be done

(this time through its palm muted)

G C G D Em C
58 guthrie street / an old postcard you sent / to help close up wounds that
G D G C G D
I love to reopen / quarters in the tequila / on the streets of houston /
Em C G D
you can keep on drinking / but never drown out where you ve been /

Em C G D Em
let go - freefall - it s scary I know to forgive all of the devils / let

C G D
go - i ll catch you / It s scary I know to understand what must be done

(during this part the B and Am s are kinda picked in certain spots)
