   B              F#                    G#m
Been in pain and I ve been in shame
             C#m
But ain t love a bitch
I been in fights, locked away for nights
But ain t love a bitch
I been tailed, impaled, strung up
and nailed and left without a stitch
I been scratched  n  taxed  n  finally axed
But ain t love a bitch

C#m                                          B
Oh I didn t understand till I was seventeen
C#m                                              B
She took me way upstairs and she wiped me clean
G#m                                    Emaj7
Oh I didn t realize she made a first class fool out of me
 C#m                                            F#
Oh Maggie if you re still out there the rest is history
