Play the intro four times over...then start singing on the G ..

G                    C                    G                    F                    G  
I would have given you all of my heart  
                  C                    G                    F                    G  
But theres someone who has torn it apart  
                  C                    G                    F                    G  
and shes taken just all that I have  
                  G                    C                    G                    F                    G  
but if you want I ll try and love again  
                  C                    G                    F                    G  
babe I ll try to love again but I know

**Chorus:**

C                    G                    F                    G  
The first cut is the deepest cuzz baby I know  
C                    G                    F                    G  
The first cut is the deepest  
                  C                    G                    F                    G  
When it comes to being lucky she s cursed  
                  C                    G                    F                    G  
When it comes to loving me shes worse

**Verse 2:**

yes I want you by my side  
just to help me dry the tears that I cry  
and I m sure going to give you a try  
cuzz if you want I ll try to love again  
baby I ll try to love again but I know

Chorus:    (Solo)            repeat verse 2    then fade
