Have I Told You Lately
Rod Stewart

```
   Intro: G#    Cm7    C#maj7    C#/F       G#    Cm7 C#    C#/F

        G#        Cm7           C#          C#/F
Have I told you lately that I love you?
         G#              Cm7           C#        C#/F
Have I told you there s no one else above you?
C#maj7                         Cm7                     Bbm7
Fill my heart with gladness,  take away all my sadness,
         Eb                      G#    C#/F
ease my troubles that s what you do.
Verse 1.
         G#        Cm7             C#     C#/F
For the morning sun in all it s glory
          G#          Cm7            C#     C#/F    C#maj7
greets the day with hope and comfort, too.
                              Cm7                        Bbm7
You fill my life with laughter   and somehow you make it better,
         C#/F                 G#
ease my troubles that s what you do.
{chorus}
Chorus:
Bbm7      G#/D
C#maj7
There s a love that s divine
                              Cm7              Bbm7   Cm7
and it s yours and it s mine....like the sun.
C#maj7
And at the end of the day
                              Cm7           C#/F
we should give thanks and pray to the one, to the one.
{play intro}
Verse 2.
Instrumental:  Same chords and tempo as Verse 1.
{Chorus}
{play outro}
Outro:
           G#      Cm7         C#          C#/F
And have I told lately that I love you?
        G#             Cm7          C#        C#/F
Have I told you there s no one else above you?
C#maj7                         Cm7                      Bbm7
You fill my heart with gladness, take away all my sadness,
         C#/F                  G#    Bbm7  G#/D   C#maj7
ease my troubles that s what you do.
                           Cm7                       Bbm7
Take away all my sadness, fill my life with gladness,
         C#/F                   G#    Bbm7  G#/D   C#maj7
```

```
ease my troubles that s what you do.
                              Cm7                                      Bbm7
Take away all my sadness, fill my heart with gladness,
          C#/F                          G#
ease my troubles that s what you do......
```
