Rod Stewart

* (Theo Kanter) says:

I watched a recent Rod Stewart concert from Germany on tv the other day. Foot Loose and Fancy Free , one of which is played by Ron Wood.

I have been trying to fit bits and pieces together into a whole but something is still missing. I would be grateful for any help with the intro and riffs during the song, as well as the lyrics as I definitely not a good listener.

OK this is what I have been able to figure out so far. The intro starts of with:

	D 3*		C 3*		G				
e	-----	-----	-----	-----	-----	-----	-----	-----	-----
b	--7-----	-----	--5-----	-----	-----	-----	-----	-----	-----
g	7b8-----	--?-----	5b6-----	--?-----	-----	-----	-----	-----	-----
D	-----	-----	-----	-----	-----	-----	-----	-----	-----
A	-----	-----	-----	-----	-----	-----	-----	-----	-----
E	-----	-----	-----	-----	-----	-----	-----	-----	-----

COMMENTS: 3* means four times

The other guitar just plays the basic rock n roll pattern meaning for example in G:

	G					
e	-----	-----	-----	-----	-----	-----
b	-----	-----	-----	-----	-----	-----
g	-----	-----	-----	-----	-----	-----
D	-----	-----	-----	-----	-----	-----
A	5-5-7-7-5-5-7-7--	-----	-----	-----	-----	-----
E	3-3-3-3-3-3-3-3--	-----	-----	-----	-----	-----

... and couple of bars later on ...

	G 8va	tied				
e	-----	-----	-----	-----	-----	-----
b	-----	-----	-----	-----	-----	-----
g	----0-2-0-2420--	-----	-----	-----	-----	-----
D	0-2-----	-----	-----	-----	-----	-----
A	-----	-----	-----	-----	-----	-----
E	-----	-----	-----	-----	-----	-----

COMMENTS: 8va means 12 frets up (an octave)

Much remains a mystery and I would sincerely appreciate any further help!
