

I don't want to talk about it
Rod Stewart

[Intro] C#m7 F# B9 B7

C#m7

I can tell by your eyes
That you've probably been crying forever
And the stars in the sky don't mean nothing
To you they're a mirror

E F# B9 F#/Ab G#m
I don't wanna talk about it, how you broke my heart
E F#
If I stay here just a little bit longer
E F#
If I stay here won't you listen
C#m7 F# B9
To my heart, oh my heart

C#m7

If I stand all alone
Will the shadows hide the colours of my heart
(Blue for the tears, black for the nights)
Well, the stars in the sky don't mean nothing
To you they're a mirror

E F# B9 F#/Ab G#m
I don't wanna talk about it, how you broke my heart
E F#
If I stay here just a little bit longer
E F#
If I stay here won't you listen
C#m7 F# B9
To my heart, oh my heart
