

I don't want to talk about it  
Rod Stewart

[Intro] C#m7 F# B9 B7

C#m7

I can tell by your eyes  
That you've probably been crying forever  
And the stars in the sky don't mean nothing  
To you they're a mirror

E F# B9 F#/Ab G#m  
I don't wanna talk about it, how you broke my heart  
E F#  
If I stay here just a little bit longer  
E F#  
If I stay here won't you listen  
C#m7 F# B9  
To my heart, oh my heart

C#m7

If I stand all alone  
Will the shadows hide the colours of my heart  
(Blue for the tears, black for the nights)  
Well, the stars in the sky don't mean nothing  
To you they're a mirror

E F# B9 F#/Ab G#m  
I don't wanna talk about it, how you broke my heart  
E F#  
If I stay here just a little bit longer  
E F#  
If I stay here won't you listen  
C#m7 F# B9  
To my heart, oh my heart
