

# It's Over

Rod Stewart

[Intro] C F Dm Dm7 F

C F  
The congregation sang, we knelt and prayed  
Dm7 F  
As we stood before God on that beautiful day  
C F  
Church bells rang and the champagne flowed  
Dm7 F  
As our friends gather round for the wedding photo  
Am7 F  
And here we are barely five years on  
Am7 F G  
And our whole world s falling apart  
C G/B  
All the plans we had together, Up in smoke and gone for ever  
Am7 F G  
Poisoned by the lawyer s letter, It s over  
C G/B  
I don t want our kids to suffer, Can t we talk to one another  
Am7 F  
You were once my wife, my lover, It s over  
Dm7 Am F C/G G  
Rumours and whispers tear me apart, but I know you better than that

[Solo] C F Dm Dm7 F

C F  
Inseparable were we with a breeze in our sails  
Dm7 F  
Now I feel a chill wind of a marriage that failed  
C F  
And our friends are divided, they ve taken their sides  
Dm7 F  
Now they all sit back, and watch the circus unwind  
Am7 F  
I don t stand here trying to focus the blame  
Am7 F G  
But I m hurting deep down inside  
C G/B  
All the pain and all the grieving, When did we stop believing  
Am7 F  
Too late now to stop the bleeding, It s over  
C G/B  
What s the sense in pointing fingers. Who s the saint and who s the sinner  
Am7 F  
There ain t gonna be a winner, It s over

**Dm7**                      **Am**                      **F**                      **C/G G**  
Oh my dear, what happened to us, Tell me where did it all go wrong

[Solo] **Am F Am F Am F Am F G A**

**D**                                      **A/C#**  
What s the use in keep on fighting, All the tears, all the crying

**Bm**                                      **G**  
Why do we keep denying, It s over

**D**                                      **A/C#**  
In all the time I thought I knew you, Don t forget our children s future

**Bm**                                      **G**                      **D**  
I would do whatever suits you, Oh yeah

**A/C#**                      **Bm**                      **G**  
It s over    It s over    Yeah, It s over

[Final] **D G Em7 A7 D G Em7 A7 D/A**
