F#

I stayed away so long Jo Don t think that I could come back You re doin so well without me girl F# You d laugh if you d know d where I m at F# You knew me when it was all my world Ebm Somehow it s all passed me by F# Ebm But don t let on to my friends Jo dear C# That things ain t turned out as planned F# You bore my child then I left you aside I don t expect you to forgive But Jo I can say in a funny old way C# I was sure that I had it made F# Ebm I still possess a photograph My memory to refresh F# But fade it may Jo I can say C# I was sure that I had it made F# в You bore my child then I left you aside I don t expect you to forgive But now I m not so young and I m so afraid

To sleep alone for the rest of my days
