

Lost In You
Rod Stewart

F
Hey baby

Bb
You ve been on my mind tonight

F **Bb**
I m so lonely I just had to sit down and write

F
I spent all yesterday

Bb
Trying to figure out what i m gonna say

F
One letter from the heart

Bb
Is so hard to start, baby

F
How s your momma how s the weather

Bb
How s that son of mine, yeah

F
Hey baby

Bb
Been a long time since we made love

F **Bb**
I m stone cold, the bed s hard, and the work is tough

F
I m never gonna leave you again

Bb
This job ain t worth the pain

F
No money in the world

Bb
Ain t worth being away from you

F
Ooh baby I don t sleep

Bb
Without you by my side, listen

Dm **C**
I m in love with you woman

F **Bb**
It s a common known natural fact

Dm **C**
And i ve found what i m looking for

F **Bb**
And so much more than that

F **Bb**

I m lost in you	
F	Bb
I m lost in you	
F	Bb
I m lost in you	
F	Bb
I m lost in you	

Hey baby
You don't know what you've done for me
I'm so happy as any man can deserve to be
I was living in a life of sin
God knows what a mess I was in
So glad you found me
I ain't getting any younger
Hey baby, I just hope
It ain't all a dream

Dm **C**
 I m in love with you woman
F **Bb**
 It s a common known natural fact
Dm **C**
 And i ve found what i m looking for
F **Bb**
 And so much more than that
F **Bb**
 I m lost in you
F **Bb**
 I m lost in you
F **Bb**
 I m lost in you
F **Bb**
 I m lost in you

I miss you, baby
(I miss you, too)

I miss your laughing eyes
I miss our baby crying
I wanna lay you out
And kiss you all over
I m coming home real soon
Be ready cause when I do
I m gonna make love to you
Like fifteen men

I m lost in you
And I love it
I m lost in you
And I love it
I m lost in, I m lost in
I m lost in you

And I just love it (repeat and fade)
