

Lost In You  
Rod Stewart

**F#**

Hey baby

**B**

You ve been on my mind tonight

**F#**

**B**

I m so lonely I just had to sit down and write

**F#**

I spent all yesterday

**B**

Trying to figure out what i m gonna say

**F#**

One letter from the heart

**B**

Is so hard to start, baby

**F#**

How s your momma how s the weather

**B**

How s that son of mine, yeah

**F#**

Hey baby

**B**

Been a long time since we made love

**F#**

**B**

I m stone cold, the bed s hard, and the work is tough

**F#**

I m never gonna leave you again

**B**

This job ain t worth the pain

**F#**

No money in the world

**B**

Ain t worth being away from you

**F#**

Ooh baby I don t sleep

**B**

Without you by my side, listen

**Ebm**

**C#**

I m in love with you woman

**F#**

**B**

It s a common known natural fact

**Ebm**

**C#**

And i ve found what i m looking for

**F#**

**B**

And so much more than that

**F#**

**B**

And I just love it (repeat and fade)
