

Lost In You  
Rod Stewart

**A**  
Hey baby

**D**  
You ve been on my mind tonight

**A** **D**  
I m so lonely I just had to sit down and write

**A**  
I spent all yesterday

**D**  
Trying to figure out what i m gonna say

**A**  
One letter from the heart

**D**  
Is so hard to start, baby

**A**  
How s your momma how s the weather

**D**  
How s that son of mine, yeah

**A**  
Hey baby

**D**  
Been a long time since we made love

**A** **D**  
I m stone cold, the bed s hard, and the work is tough

**A**  
I m never gonna leave you again

**D**  
This job ain t worth the pain

**A**  
No money in the world

**D**  
Ain t worth being away from you

**A**  
Ooh baby I don t sleep

**D**  
Without you by my side, listen

**F#m** **E**  
I m in love with you woman

**A** **D**  
It s a common known natural fact

**F#m** **E**  
And i ve found what i m looking for

**A** **D**  
And so much more than that

**A** **D**

I m lost in you

**A** **D**

I m lost in you

**A** **D**

I m lost in you

**A** **D**

I m lost in you

Hey baby

You don t know what you ve done for me

I m so happy as any man can deserve to be

I was living in a life of sin

God knows what a mess I was in

So glad you found me

I ain t getting any younger

Hey baby, I just hope

It ain t all a dream

**F#m** **E**

I m in love with you woman

**A** **D**

It s a common known natural fact

**F#m** **E**

And i ve found what i m looking for

**A** **D**

And so much more than that

**A** **D**

I m lost in you

**A** **D**

I m lost in you

**A** **D**

I m lost in you

**A** **D**

I m lost in you

I miss you, baby

(I miss you, too)

I miss your laughing eyes

I miss our baby crying

I wanna lay you out

And kiss you all over

I m coming home real soon

Be ready cause when I do

I m gonna make love to you

Like fifteen men

I m lost in you

And I love it

I m lost in you

And I love it

I m lost in, I m lost in

I m lost in you

And I just love it (repeat and fade)
