**G**  
Deep down inside you know

Refrão:

**D**  
Cause I wanna be good for you  
**G**  
I didn t mean to be bad  
**A D**  
But darling I m still the best  
**G**  
That you ever had  
**A**  
Just give me a chance  
**G**  
To let me show you how much  
**D G D**  
I wanna give you my love touch, love touch  
**A**  
Why can t I climb your walls  
**D**  
And find someplace to hide  
**G**  
Can t I knock down your door  
**D**  
And drag myself inside  
**G**  
I ll light your candles, baby  
**D**  
And maybe I ll light your life  
**G**  
I wanna feel the breathless end

**D**

You come to every night

**G**

This ever changing love

**D**

Is pushing me too far

**G**

I feel the need to reach you

**D**

Right now wherever you are

**A**

These empty arms are getting stronger

**D**

**G**

Every day, believe me, baby

**D**

They won't let you get away

**A**

No, they won't let you get away

(Refrão)

( **D G A** )

You know it don't matter

Who's right or who's wrong

Think we're gonna find out

If this love is strong

Just give me a chance

To win back your trust

I wanna give you my love touch, love touch

Ooh you're gonna get a, ooh you're gonna get a big lovetouch....
