Rod Stewart

(F# B C#)

(I ain t missing you, missing you....)

F# B9 C#9
Every time I think of you, I always catch my breath
F#
And I m still standing here, and you re miles away
B9 C#9
And I m wonderin why you left
D#m B9 C#9
And there s a storm that s raging through my frozen heart tonight
F# B9 C#9
I hear your name in certain circles, and it always makes me smile
F# B9 C#9
I spend my time thinkin about you, and it s almost driving me wild
D#m B9 C#9
And there s a heart that s breaking down this long distance line tonight
F# B9 C#9
I ain t missing you at all since you ve been gone away
F# B9 C#9
I ain t missing you, no matter what I might say
F# B9 C#9
There s a message in the wire, and I m sending you this signal tonight
F#
You don t know how desperate I ve become
B9 C#9
And it looks like I m losing this fight
F# B9 C#9
In your world I have no meaning, though I m trying hard to understand
D#m B9 C#9
And it s my heart that s breaking down this long distance line tonight
F# B9 C#9
I ain t missing you at all since you ve been gone away
F# B9 C#9
I ain t missing you, No matter what my friend s missing
D#m
And there s a message that I m sending out,
B9 C#9
Like a telegraph to your soul
D#m
And if I can t bridge this distance,
B9 C#9

Stop this heartbreak Overload
