

Reason to Believe

Rod Stewart

**G**                    **C**    **D**            **G**  
If I listened long enough to you  
**C**                    **D**                                    **G**  
I d find a way to believe that it s all true  
**A**                                    **D**                    **C**                                    **G**  
Knowing that you lied straight faced while I cried  
**Em**                                    **C**                                    **D**  
Still I look to find a reason to        believe  
**C**                                    **D**                                    **Em**                    **D**  
Someone like you makes it hard to live without        somebody else  
**C**                                    **D**                                    **Em**                                    **D**  
Someone like you makes it easy to give never thinking about myself  
**G**                                    **D**                                    **G**        **C** **G**  
If I gave you time to change my mind  
**C**                                    **D**                                    **G**  
I d find a way to leave the past behind  
**A**                                    **D**                                    **C**                                    **G**  
Knowing that you lied straight faced while I cried  
**Em**                                    **C**                                    **D**  
Still I look to find a reason to        believe
