C#6 **F#**
Across the street the river runs
C#6 **G#**
Down in the gutter life is slipping away
C#6 **F#**
Let me still exist in another place,
C#6 **G#** **C#6**
Running down under cover Of a helicopter blade

C#6 **F#**
The flames are getting higher, in effigy
C#6 **G#**
Burning down the bridges of my memory
C#6 **F#**
Love may still alive somewhere someday
C#6 **G#** **C#6**
where they re downing only deer, a hundred steel towns away

C#6 **F#**
Oh, rhythm of my heart is beating like a drum
C#6 **G#**
with the words I Love you rolling off my tongue
C#6 **F#**
No never will I roam, for I know my place is home
C#6 **G#** **C#6**
Where the ocean meets the sky, I ll be sailing

C#6 **F#**
Photographs and kerosene
C#6 **G#**
light up my darkness, light it up, light it up
C#6 **F#**
I can still feel the touch of your thin blue jeans
C#6 **G#** **C#6**
Running down the alley, I ve got my eyes all over you, baby, Oh, baby

C#6 **F#**
Oh, rhythm of my heart is beating like a drum
C#6 **G#**
with the words I Love you rolling off my tongue
C#6 **F#**
No never will I roam, for I know my place is home
C#6 **G#** **C#6** **G#** **C#6**
Where the ocean meets the sky, I ll be sailing (I ll be sailing)

...Oh, yeah...

C#6 **F#**
Oh, I ve got lightning in my veins,
C#6 **G#**
shifting like the handle of a slot machine
C#6 **F#**
Love may still exist, in another place.
C#6 **G#** **C#6**
I m just yanking back the handle, no expression on my face.
